To reject call: long press button  
To end Call: press the button again

When you listen to music

Play / Pause: press the button once  
Play next song: press the button twice  
Play previous song: press the button three times

### Care and Cleaning

Do not remove from ears or unplug by pulling on the cable. Always grasp the casing part of the plug or earpieces. Earphones can lead to ear infections if not properly cleaned.

Clean the earphones frequently with an antiseptic, such as isopropyl alcohol or hydrogen peroxide on a cotton swab. Swab only the outside of the earphone.

Page 2

Eartips can be removed and rinsed under running water or in isopropyl alcohol, or in hydrogen peroxide. Allow earphones and eartips to dry completely before resuming use.

If a skin problem develops, discontinue use. If the problem persists, consult a physician.

### Compliance

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause.

Page 3

harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

### Warning

Using earphones at high to medium volumes for extended periods of time can result in permanent hearing damage.

Do not use while driving a car, boat, motorcycle, bicycle, operating machinery, or performing other activities that require hearing surrounding sounds.

Page 4

Recommended to turn the volume on your device fully down before connecting your earphones, then gradually increase the volume until you reach a comfortable listening level.

### Keep Out of Reach of Children

The small parts included with this product can be a choking hazard. This product is not intended for use by small children and should be kept away from children under 3 years of age.

### Warranty

Linwood Audio® Earphones purchased directly or from an authorized reseller is covered by a one year limited warranty. Visit [www.linwoodaudio.com/warranty](http://www.linwoodaudio.com/warranty) for more information.
